WAHANA SENTRA NIAGA

MILESTONE

PT Wahana Sentra Niaga was Established on September 21, 2001 in Surabaya, East Java, Indonesia. We provide all kinds of grades, shapes, types of nuts, bolts as well as installation equipment and installation services. Our company provides the best solutions in all areas of industry (mining, steel structure, telecommunications). Over the years PT. Wahana Sentra Niaga has grown & develop branch office / warehouse in Jakarta, Balikpapan, west Sumbawa & Makassar.

Started from a rented place, now we occupy our own place to give more benefit through the best service of our products. Our head office and warehouse facilities center placed at Surabaya, Jakarta and Balikpapan. The warehouse has grown from 2 places with $\pm 1000 \text{ m}^2$ broad, to a large warehouse in Margomulyo Jaya Warehousing which has $\pm 0.5 \text{ ha}$ area, completed with shelves and adequate fleet facilities to support the delivery service.
